It has been wonderful walking around school and enjoying the purposeful and creative atmosphere since our return from the half term break. The staff and children are working hard to create lots of exciting challenges and opportunities to ensure this short half term is full of fun and learning. It was fantastic to have a visiting assembly from Leeds Rhinos last Friday and to get to see the amazing WURSKLHV IURP ODVW VHDVRQ XS FORVH 7KH\ ZHUH D UHDO W work, dedication and 100% belief in never giving up!! We have another fun Friday planned for this week so I hope you are all ready for our World Book Dress Up day tomorrow! (I am still deciding on my favourite character!)

Our learning environment looks wonderful with all the classroom entrances turned into books, the interactive and creative displays as well as the beautiful photo-graphs of our children, engaged in their learning. Behaviour has been amazing with all of our children moving around school in a calm and sensible manner, which is a pleasure to see. Although we still managed to have a little crazy time to enjoy the snow flurry yesterday!

Thank you to the children and to everyone who works so hard, in school and at home, to help all our children in school to be happy, safe and buzzing with energy!
