

We all know the benefits of being physically active and a having healthy diet.

When times are tough and it is difficult to get outdoors, it can be quite tricky to come up with ideas to keep the children occupied and active.

With modern technology, there are numerous websites available to support physical activity at home; not just for children, but for the whole family.

Most only take around 5-30 minutes to complete, so it can fit easily into the day.

Here are six recommended websites to use, along with some printouts too, if the internet is a barrier.

If you have any of your own that you would highly recommend, please share and we can add to the slides.

Disney **Wake Up Shake Up** games. Provided by the NHS, here are lots of short games to keep children active and engaged to coincide with some of their favourite movie characters.

<https://www.bbc.co.uk/teach/supermovers>

**BBC Supermovers.** Lots of active learning opportunities from Maths to English and a whole range of other subjects. A great learning resource to keep working on spellings, times tables and other areas of the curriculum, as well as getting physically active.

<https://www.gonoodle.com/>

**GoNoodle** is a favourite with lots of teachers but it does also have a good section for parents too. Numerous videos to dance along and learn to, along with some mindfulness videos to bring calm in stressful times!

<https://www.youtube.com/user/CosmicKidsYoga>

**Cosmic Kids Yoga** is amazing. It is free of charge and is a YouTube channel. Follow the link to go on numerous adventures, ranging from 5 to 30 minutes. There is something for everybody in the family, all based around easy to follow Yoga.

**Joe Wicks** provides us with lots of online training resources, free of charge. This link will take you to his classroom workouts which are fab and don't take up much of your time

## **Personal Best**

Set a challenge and a time such as skipping, football keepy ups, star jumps etc and see how many you can do in that time span. Try to beat your score each day so you have a target to work towards..

## **Become The PE teacher**

Create your own challenges and lessons to develop agility, balance and coordination. Children have amazing imaginations and I know they will create some fantastic challenges to share with the family and have a go at.

# In The Garden

## **Circuit Training**

Create 5-10 exercises such as star jumps, shuttle runs and squats. Set a time of 1 minute to complete the first exercise, then move onto the second exercise and repeat. A quick way to get the heart pumping!

## **Active Play**

It sounds silly, but there are so many benefits from being outside and simply playing! It makes a nice change from being indoors.

The following cards were shared by Mr Jeff, our sports coach in the Selby Hub. Credit also to Wow Active.

They are a great idea to use as printouts. Although they are in year groups, I would provide pupils with them all to stretch and challenge themselves when not at school.

Thanks for sharing Mr Jeff!
