

### Tiny Steps

Tiny steps have had a great time this week exploring different shadows in our Dark den, making potions and showing off their balancing skills during soft play.

### Spanish:

Y5 and Y6 have been reading longer paragraphs in Spanish about rooms in a Haunted House and using this information to draw and design their houses.

### PE:

This week Mr Robinson has been working collaboratively with the KS2 classes to encourage all children to be active in leading lunchtime activities for the other children. He is in the process of selecting and recruiting Sports Leaders to help lead lunchtime games alongside the MSAs.

### Nessgate:

This week Year 2 explored the life of Rosa Parks, learnt how to keep safe online, carved our class pumpkin and created some rather spooky looking Halloween crafts!

### Whip-Ma-Whop-Ma-Gate:

This week Whip-Ma-Whop-Ma-Gate had their very own class museum to celebrate all of their learning on the history of communication! We have learnt so much and loved having a go with the typewriter!

### Fishergate:

This week we have learnt all about Rosa Parks and have been truly inspired by her part in the civil rights movement. As a result, we created a class charter to represent our rights in school. We all have the right to be safe, to be treated fairly and to be able to learn. The children drew pictures to show what we could do to ensure these rights are being upheld.

### Fossgate:

This week we have travelled back in time to Roman times and have become Roman soldiers. We have written diaries and explored what impact they had on our home city York.

### Gillygate

Gillygate have been working really hard at home this week. They have created their own Renoir still life masterpieces and have created some amazing Roman buildings.

### Micklegate

This week, Micklegate have been exploring the abstract art of Wassily Kandinsky and how emotions can be represented using colour. We are creating calming paintings for our homes. We are getting to know the new characters, Beowulf and Grendel in our English work.

### Stonegate:

Year 6 have worked incredibly hard this week. They have shown great perseverance and determination as they have had to complete the SATs tests for reading, maths and Spag! They are proud of their scores and are now ready to look for ways to improve them ready for after half term.

Keep going Year 6, you can do it - from the Year 6 Teaching Team!

### ERP

ERP3 have been completing lots of fun and spooky activities about Autumn and Halloween this week including a signs of Autumn hunt, decorating pumpkins and making toilet roll monsters. In ERP2 we enjoyed reading a spooky story and deciding on the Halloween monster that lived behind the door. For our remote learning, the children have been busy completing 2D and 3D shape hunts around their house and describing them to a family member.
