

Tiny Steps

Tiny Steppers have enjoyed planting lots of different seeds this week and taking it in turns to look after them. We are excited to watch them grow and taste some of them too.

Nursery:

This week Nursery have spent lots of time exploring outside. We have thought about floating and sinking as well as creating our own seesaw and climbing frames.

Reception:

We have continued learning the story of the Billy Goats Gruff. The children have been organising the story into the beginning, middle and end of the story and writing it themselves!

Music: This week in KS1 we composed our own Spring rhythms and played them from graphic notation. We'd categorized instruments by how we play them tap, scrape or shake then played our own music.

Nessgate:

After exploring different sculptures in **Art**, this week Nessgate developed their skills using **clay!** We practised **moulding, shaping** and using the tools to create **patterns** and add **detail!**

Whip-Ma-Whop-Ma-Gate:

We have been exploring the book 'The Secret Sky Garden' this week. We have enjoyed getting to know the characters and exploring the themes of kindness and friendship! We would definitely recommend this book!

Cook School

This week in enrichment year 5 have continued with our takeaway theme and made Biryani.

Fishergate:

This week in Maths we have been making Arrays! Could you try and make an array at home too?

Fossgate:

We were over the moon to have a visit from YOYO in person again, after such a long time. We learnt all about the Christian Creation Story and how we can make choices to look after our world, for example if we use a disposable mask, ensuring we cut off the loops so they are less harmful to animals. We also learnt it was important to use reusable items as much as possible!

Gillygate

This week we have been researching the history of flight and have been on a virtual hot air balloon flight over Bristol. We have started to design our own flying machine and have written a poem about a hot air balloon. We have also been reading more of our book Rumble Star.

Micklegate

Micklegate have been continuing to watch our caterpillars grow. They are now chrysalis and we are very excited to see them turn into beautiful butterflies! In English we are writing persuasive leaflets for a trip to Cairo. We were also very lucky to have a visit from the local Police to tell us all about internet safety.

Stonegate

In Stonegate this week, we have been finishing off our independent writing linked to the RMS Titanic. We also had two special visits from YoYo and our local PCSO. During these visits, the children gained a deeper understanding of some christian beliefs and some top E-Safety tips. We are nearly at the end of our class novel The Explorer, maybe you could test their knowledge?

ERP:

In ERP1 we continued our work on The Dragon Machine, designing and making our own, investigating the emotions of the main character throughout the book and designing warning posters for the other ERP classes. This week in ERP3 we have been reading "Commotion in the Ocean" and writing our own under the sea shape poems.
