

### Tiny Steps

Tiny Steps have been doing lots of different activities to help with their fine motor skills. Dough disco, threading, using the spray guns outdoors and they have also been working hard on their cutting skills too.

### Cook School:

This week year 6 have Made pizza from scratch. It is the first of their chosen recipes.

### Whip-Ma-Whop-Ma-Gate:

We have been meteorologists in year 1 this week looking at weather patterns throughout the seasons! We made a rain gauge, a wind rose and these fabulous windmills!

### Gillygate

This week we have made collages of aerial views which took a lot of time and patience. We also went over to Greenfields on 'Outdoor Classroom Day' to create our own aerial photographs inspired by nature.

### Nursery:

This week we have spent lots of time exploring the great outdoors. Looking at nature, going on a pirate treasure hunt and racing boats in puddles.

### Reception:

Reception have finished off their Jack and the Beanstalk story by making some beautiful beanstalks using different materials!

### Spanish:

Y3 wrote their own weather reports this week. We are hoping that it will be hot and sunny! 'Hace calor y hace sol.'

### Micklegate

This week in Micklegate we have been writing fantastic newspaper reports telling the shocking story of the 'Canopic Conundrum'. We have also created wonderful diagrams to explain how a river travels from its source to mouth. We are also watching our sunflowers grow, hopefully ours will be the tallest in the school!

### Fishergate:

This week we have loved painting our clay sculptures! We are very proud of our finished works of art.

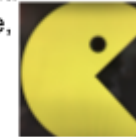

### Nessgate:

This week Year 2 completed their clay sculptures! Nessgate painted their designs using acrylic paints, then evaluated the final pieces, thinking carefully about the skills they have learnt, and what they would change next time! They look fantastic!

Music Year 6 have started exploring and recreating the music used for video games in Enrichment. They had to play the game, listen to the music then recreate the theme using Chromemusiclab

### Fossgate:

Fossgate have been scientists this week, conducting experiments to learn all about how states of matter can change. We conducted an observation over time enquiry, measured temperature using a thermometer and recorded our results in a table!

### ERP:

In ERP1 this week we have been under the sea, designing and writing instructions about how to create our own ocean creatures, making our own aquariums and using amazing adjectives to describe our underwater scenes. In ERP3 this week we have been learning about minibeasts. We went on a fabulous minibeast hunt in Forest School and made our own paper plate minibeasts. In ERP2 our caterpillars arrived so we have created edible life cycles and then written information posters about our chosen minibeast.
