Our new school vision

“Learn, Grow and
Aspire Together.”

A message from Miss Woodward

We would like to be writing to you now, telling you we are ready for opening up again in line with the ‘Freedom Day’ that has been announced.

The reality, though, is we can’t. This is in line with guidance from York Public Health and Ebor Academy Trust. There has been an increase in positive cases across York. We understand you might be feeling frustrated but all of our Covid safety measures will be staying in place until the end of term to ensure we keep everyone safe. I would like to take this opportunity to thank all the staff. They are a dedicated team and have worked tirelessly during a national pandemic, not only to improve the education we provide at Haxby Road, but also putting in many different measures and adhering to different restrictions which have enabled us to keep our school community safe and well. Thank you to our Governors who have given up their time to support the school.

This year has been difficult in so many ways but also wonderful. We have seen our children grow in resilience and learn to deal with so many unprecedented situations. I am in awe of all the children who have been amazing throughout it all! Today they will come home with their end of year reports and you should feel incredibly proud of their achievements and talents.
